The Morsani building (MDH) night shift team from Building Services is responsible for cleaning the entire Morsani Center for Advanced Healthcare building in the evenings from 6:00 PM to 2:30 AM. Each member of the team has a role to play and teamwork is a must to get the job done in a timely manner. They each contribute to the upkeep of this very busy 200,000 square foot building where health care professionals, faculty, and students from USF Health see patients.

The team is made up of Bernice Pugh, Adeline Zephino, Marie Pierre, Veronica Weatherspoon, Adriana Floyd, Tania Pascual, Joyce McHayle, and team leaders Shelli McNeal and Geraldine Hudson. Bernice Pugh works on the 2nd Floor and has been employed at USF for five years. Adeline Zephino (four years) works on the 3rd Floor, with her coworker Marie Pierre (three years). Veronica Weatherspoon (nine years) and Adrianna Floyd, the newest employee, work on the 5th floor. Tania Pascual (five
