

NEW GIS STORY MAP

A new story map is available on the OAS website. It provides information about the new GIS-based map of the campus and the various departments that use it.

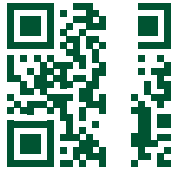

See the new map on the USF website. It is a great resource for students, faculty, and staff. You can find it on the OAS website.

Under the Data & Geospatial Services section, you will find the new GIS-based map.

The map is a great resource for students, faculty, and staff. It provides information about the various departments that use it. You can find it on the OAS website.

Ashley Cone, OAS Summer Intern.

The map is a great resource for students, faculty, and staff. It provides information about the various departments that use it. You can find it on the OAS website.

USF is proud to have a great faculty and staff. We are excited to have you at the game. Register at [https://oas.usf.edu/football](#).

EMPLOYEE PROFILE

ROBERT JORDAN
CUSTOMER SERVICE SUPERVISOR
PARKING & TRANSPORTATION SERVICES

Robert has worked at Parking and Transportation Services for over 20 years as a Customer Service Supervisor.

His typical day at work includes supporting customer service associates, employee training, and coordinating with campus departments on various projects and safety matters. Robert also manages the PATS general email account.

Robert's advice for new employees is to be friendly and helpful. Welcoming new students and offering guidance can significantly impact their experience on campus.

His favorite part about working in OAS is the opportunity to help

students. Robert initially came from a teaching background and has found that his role here still revolves around assisting people in their educational journey.

Outside of work, Robert enjoys outdoor activities like hiking and kayaking. Lately, he has been heavily involved in helping his wife and her sister with their bookstore venture, *Bookstore & L.A.*

Robert's favorite book is *A Catcher in the Rye* for its humor, and a recent favorite is *The Hobbit*.

When eating out, Robert and his wife enjoy going to his sister-in-law's house. She's an incredible cook, and they are fortunate to enjoy her delicious meals every night since she lives right across the street.
