

RDL 2 Form Testbed for Rehabilitative Robotics and Assistive Technologies

Date Submitted:	Sept 8, 2008
-----------------	--------------

ACE Workgroup date:	Oct 16, 2008
---------------------	--------------

3. Physical Boundaries (graphics) See attached **The project will use the site formerly in 4. Acreage: .5 acres**

--

5. Net square footage: approximately 2,616 nsf for Phase I

6. Gross square footage: approximately 3,000 gsf for Phase I

7. Funding Source: Grant

8. Construction budget: \$940,000

9. Project budget: \$975,000

14. Parking displacement/load and traffic impact: none

15. Impact to existing locations and capacity of:
Trees: none
Stormwater: capacity and access available
Chilled Water: DX Units
Electrical: capacity and access available
Telecommunications: capacity and access available
Potable Water: capacity and access available
Sanitary Sewer: capacity and access available
