

- Establishes relationships between local community organizations and students at the University of South Florida
- Provides public health students with opportunities to volunteer in the community
- Organizes general body meetings, inviting guest speakers and panelists to share their experiences in the domain of Maternal and Child Health

University of South Florida Reproductive Justice Coalition

Co-Founder

*Summer 2023-Fall 2024*

- Founded a reproductive justice-focused coalition alongside leaders of various clubs at the University of South Florida
- Arranged rallies, distributed and compiled petitions, and held a panelist event with local organizers and candidates in order to educate students on campus about reproductive justice
- Attended the Student Organizing Summit in Orlando to learn about grassroots organization, meet with local elected officials, and contribute to the Florida Abortion Ballot Initiative

## COMMUNITY SERVICE

REACHUP

Community Baby Shower

*Spring 2024*

- Worked alongside ReachUp to coordinate and run a baby shower for over 90 mothers and their family members in the local Tampa community

Affirming Fatherhood Conference Volunteer

*Fall 2023*

- Supported the REACHUP conference by admitting participants into the conference space, passing out lunches, and ensuring that the event was going well behind the scenes

Climb Out Postpartum Conference Volunteer

*Fall 2023*

- Created a safe space for mothers experiencing post-partum mental health issues by leading activities related to self-care and building self-confidence

BayCare Kids Wellness and Safety Center

Under the Sea Summer Safety Event Volunteer

*Summer 2023*

- Assisted staff members in educating parents and children on water safety and drowning prevention via engaging games, crafts, and ultimately distributing swimming lesson
