The University of South Florida announced on March 9th that the School of Mass Communications within the College of Arts and Sciences has been renamed after USF Alumnus and Trustee **an an**, the founder and chairman of Fort Lauderdale-based *Zimmerman Advertising*.

The renamed *Zimmerman School of Advertising and Mass Communications* was in recognition for his gift of \$10 million to the college, the largest gift to the CAS in its history.

“The gift will put the school on the map globally to attract advertising and mass communications students said the news
