

VITA

Name: CHERYL L. KIRSTEIN
Address: Department of Psychology
University of South Florida Tampa
4202 E Fowler Ave.
PCD4118G
Tampa, Florida 33620
Phone: Laboratory 813-974-9626

•

- Signature Interdisciplinary Program in Neuroscience
- Frontiers in Neuroscience-Associate Editor

AdHoc Grant Reviewer/Federal Advisory Committees:

- NIDAK: The training and career development Review Group
- National Science Foundation
- Tourette's Syndrome Association Permanent Research Fund Grant Proposal
- Women in Neurosciences
- Biobehavioral Regulation Learning and Ethology Review Group
- NIDA Special Emphasis Review Panel
- NIAAA Special Emphasis Review Panel
- BRLE NIH Study Section 2011
- Brain Disorders and Clinical Neuroscience Review Panel (NIH) 13.7 (i)-13.13.6 (n)4G)13.6 (ra)1 1ecacalc6ierc holra1

Intramural Grants

- Research and Creative Scholarship Grant (1993) \$7,500
- Research and Creative Scholarship Grant (1998) \$7,500
- USF College of Medicine Signature Program in Neuroscience (2007) \$8,000
- USF Division of Sponsored Research Grant Writing Course (2007) \$10,000

Extramural Grants

Foundation Grants

- Arts and Sciences (A&S) Senior Staff (2006-2012)
- USF Budget Advisory Task Force (2007-present)
- CAS Advisory Council (2006-present)
- IISC Steering Committee (2007-present)
- Initial Inquiry of Research Misconduct (2007-present)
- Judge Undergraduate Research Symposium (2008-present)
- A&S Chairs Steering Committee (2006-present)
- Academic Affairs Planning Group (2007-2012)
- AIST Steering Committee (2007-present)
- Psychology Tenure and Promotion Committee (2007-2010)
- Director of Division of Research and Innovation Search Committee (2008)
- Integrated Interdisciplinary Inquiry Task Force (2008)
- Chair- Integrated Interdisciplinary Inquiry Subcommittee for Research and Scholarship (2008)
- Associate Dean for Research-College of Behavioral and Community Sciences
- Search Committee-(2008)
-

- Basic Neurochemistry (G)
- Topics in Neuroscience Seminar (G/UG)

Student Trainees/Committees:

PhD students (graduated):

- Rex Montgomery Philpot, Ph.D. Assistant Professor, USF College of Medicine
- Alba Rodriguez, Ph.D. Research Associate, Henry Ford Hospital
- Mary Newman, Ph.D. Postdoctoral Fellow, Pharmacology, Rush University Medical Center
- Kirstie Stansfield, Ph.D. , Senior Scientist at InVitro Cell Research
- Kim Bjudstad, Ph.D. Associate Professor, University of Colorado
- Kim Badanich, Ph.D., Instructor level 3, USF Sarasota-Manatee
- Briony Catlow, Ph.D., Associate Director, Knoebel Institute for Healthy Aging
- Antoinette Maldonado-Devincci -Assistant Professor, North Carolina A&T State University
- Jessica Hoffman-Postdoctoral Fellow, University of North Carolina at Chapel Hill

MA students (graduated):

- Tyra Dark, M.A. Postdoctoral Fellow, USF College of Public Health
- Leila Amiri, M.A Director of Advising, USF College of Arts and Sciences
- Emily Guion, M.A. Biology Professor

Dissertations: * denotes completion ** denotes my students: completed

Susan Tenzer *
Marty Factor*

Gayle Freedman*
Tammy Nygren*

Alba Rodriguez *
Blane Crandall (Biology)*

Briony Catlow **
Joshua Halonen**
Laura Bullard **

Leilani Kellog**
Ashlee Carter**

Antoniette Maldonado**
Jessica Hoffman**

Undergraduate Honors: * denotes completion, ** denotes my student completed

Jill Cameron **

Karl Hoffman *

Ben Hagendorf **

Invited Symposia

- NIAAA sponsored symposium: Research Society on Alcoholism, San Francisco California , July, 2002
- New York Academy of Sciences, New York, November 2003
- Twenty-eighth annual Research Society on Alcoholism Meeting, Santa Barbara, California, 2005
- Society for Neuroscience Conference, Atlanta, GA, October 2006
- Samuel B. Guze symposium on Alcoholism, St. Louis, Missouri, February, 2007.
- Dopamine 50 years Symposium in Goteborg, Sweden June 2007
- Motivational Neuronal Network Conference 2007 in Porquerolles, France May 2007
- Research Society on Alcoholism, Washington, DC June 2008
- International Society on Biomedical Research on Alcoholism, Washington, DC, June 2008
- Society for Neuroscience, Washington, D.C., November 2008
- Clinical Ligand Assay Society, International Meeting, Coral Springs, FL 2008
- Behavior, Biology and Chemistry: Translational Research in Addiction, San Antonio, Texas, March, 2009.
- Research Society for Alcoholism, San Diego, CA June 2009
- Society for Neuroscience Meeting, Chicago, IL October, 2009
- Society for Neuroscience, San Antonio, TX, June 2010
- Research Society for Alcoholism, San Diego, CA, November 2010
- USF Honors College-Discovery Class (2011, 2012, 2013)

Honors

- USF Presidential Excellence in Research Achievement Award 2004
- Behavioral response to novelty foreshadows neurological response to cocaine (K.H. Stansfield & C.L. Kirstein; 2007) NIDA Notes, 21 (2), 1.

Maldonado-Devincci, A.M., Donaldson, E., Patel, N.H., Martinez, N.C., Mathew, J.K., Lopez, S., Michael, L.A., Raudales, Jr., R., Santos, S.M., Patel, Y.A., Amante, R.A., & Kirstein, C.L. Adolescent male and female rats are predisposed to greater alcohol intake in adulthood following chronic alcohol treatment during adolescence. Fortieth Annual Society for Neuroscience Meeting, San Diego, CA, November, 2010.

Lopez, S., Maldonado-Devincci, A.M., Donaldson, E. & Kirstein, C.L. Prolonged ethanol exposure during adolescence relative to exposure during adulthood: ethanol pharmacokinetics in male and female rats. Fortieth Annual Society for Neuroscience Meeting, San Diego, CA, November, 2010.

Michael, L.A., Maldonado-Devincci, A.M., & Kirstein, C.L. Binge alcohol exposure during adolescence alters alcohol consumption in adulthood as a function of the estrous cycle. Fortieth annual Society for Neuroscience meeting, San Diego, California, November, 2010.

Santos, S.M., Maldonado-Devincci, A.M., Hennessey, M.K., & Kirstein, C.L. Social interaction with an alcohol-intoxicated or cocaine-injected peer: social behaviors and voluntary alcohol

L.A. Michael, A.M. Maldonado-Devincci & C.L. Kirstein. Differences in the effects of social stress on voluntary ethanol consumption in adulthood in male rats. To be presented at the 9th Annual Undergraduate Research Symposium, Tampa, FL, April, 2011.

Michael, L.A., Maldonado-Devincci, A.M., & Kirstein, C.L. Social stress and binge ethanol exposure during adolescence and alter voluntary ethanol consumption in adulthood in male Sprague-Dawley rats. Southeast Neuroscience Conference, St. Augustine, Florida, March, 2011.

Maldonado-Devincci, A.M. & Kirstein, C.L. Binge ethanol during adolescence: long-term dose-dependent changes in ethanol intake in adulthood in male rats. Poster to be presented at the Thirty-fourth annual Research Society on Alcoholism meeting, Atlanta, Georgia, June, 2011.

Donaldson, E., Maldonado-Devincci, A.M., & Kirstein, C.L. The long-term dose-dependent changes in ethanol intake of binge pattern ethanol exposed female rats. Poster to be presented at the Thirty-fourth annual Research Society on Alcoholism meeting, Atlanta, Georgia, June, 2011.

Mathew, J.K., Maldonado-Devincci, A.M., & Kirstein, C.L. Sex differences in adolescent male and female rats influence changes in non-spatial learning and working memory following binge ethanol treatment. Poster to be presented at the Thirty-fourth annual Research Society on Alcoholism meeting, Atlanta, Georgia, June, 2011.

Michael, L.A., Maldonado-Devincci, A.M., & Kirstein, C.L. Binge ethanol exposure during adolescence and the effects of social stress on voluntary ethanol consumption in adulthood in male rats. Poster to be presented at the Thirty-fourth annual Research Society on Alcoholism meeting, Atlanta, Ge (a)-14.a (un)41.7 (e)-1463 (, 2011.)40.9 ()TJEMC ET/Artifac/MCID 25 BDC1012
