

Archivum ARC Withdrawal Limit Exception

IMPORTANT DEADLINE Withdraw Limit Exception petitions must be submitted before the affected term's withdrawal deadline as determined by the Registrar's Office. Petitions for a withdrawal limit exception must be submitted by the deadline for the affected semester.

WITHDRAWALS REQUIRE DOCUMENTATION. Students are required to provide documentation to support any withdrawal request. Documentation should be completed before you start the ARC petition in Archivum:

- x ARC Instructor Documentation Form (not required if submitting medical documentation)
- x ARC Medical Documentation Form (to be completed and signed by a licensed health professional to certify physical/mental/emotional injury or illness related to withdrawal)
- x Documentation of relevant extenuating circumstances (see FAQ at the end of this guide for examples)

****If you indicate that your petition contains sensitive personal information, then it will be considered confidentially by the Students of Concern Assistance Team (SOCAT) to respect your privacy****

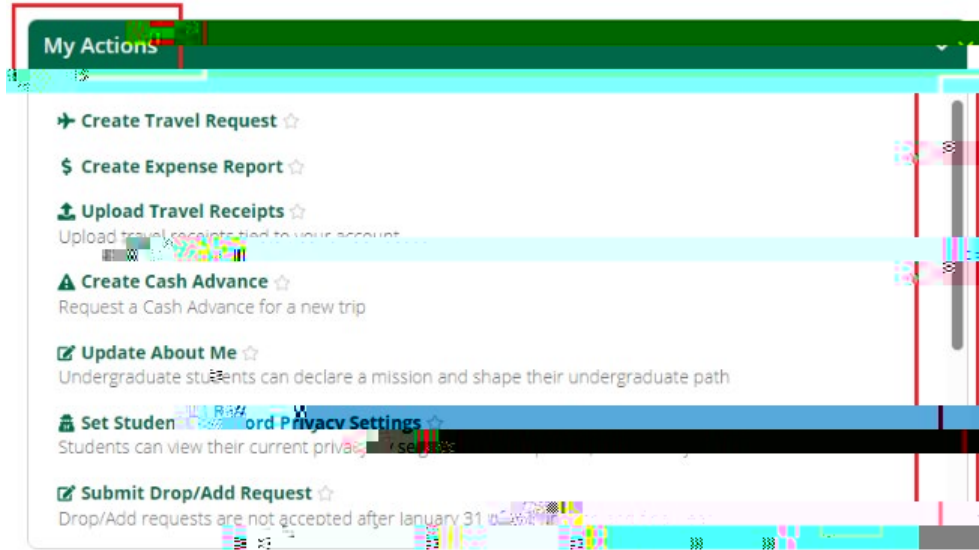

Late Withdrawal vs. Withdrawal Limit Exception You are limited to three (3) withdrawals if you have less than

60 semester hours and two (2) withdrawals if you have 60 or more semester hours. If you are submitting your request after the withdrawal deadline for the affected semester that will put you over these established limits, then you will instead need to submit a petition for a Late Withdrawal.

Note: If your petition is approved and processed, you cannot rescind this decision. It is strongly recommended that you first consult with appropriate USF offices, such as the Office of Financial Aid, International Services, Office of Veteran Success, etc. to determine how an approved ARC petition might impact you before you proceed.

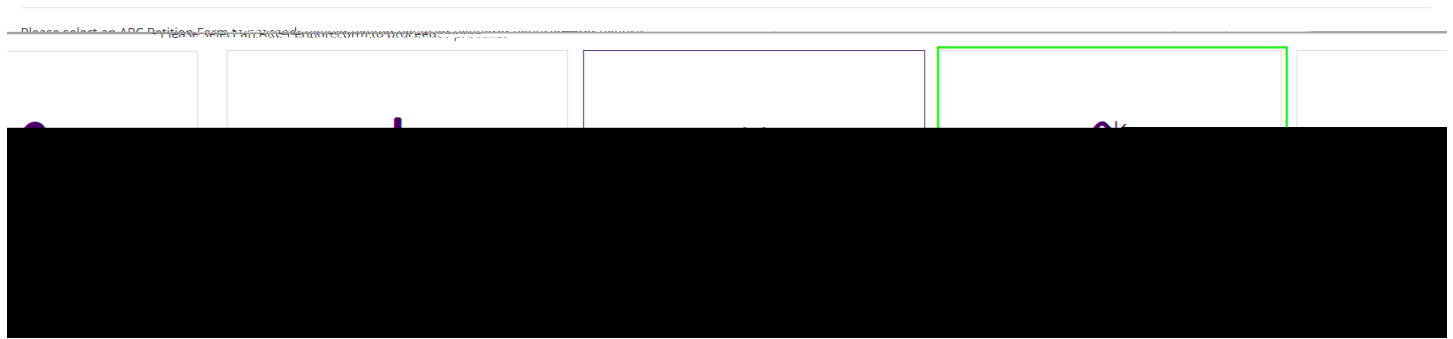

Note: ARC representatives are considered "responsible employees" and information provided to us is not confidential. If this pertains to your campus, we strongly recommend that you consider using one of the confidential resources on campus, such as the [USF Counseling Center](#) and/or the [Center for Vnt and Cor](#)
