

Three years ago with the Provost consent.

After a lengthy discussion a motion was made to have the Council send their recommendations to the Chair's of the Schools for consideration. This motion was thrown out and another motion was made and approved for the Dean to bring these to the attention of the Chair's. Dr. Cochran will make the changes to the Schools documents and send to the Chair's for their vote.

Dr. Manning commended the Sub-committee on doing an excellent job.
