

Lee Braver is to send Dr. Walczak the name of the Faculty Senate chair so that he can send him the finalized proposal to look over and make sure it is appropriate to place on the Faculty Senates agenda.

VII. New Business:

Dr. Natasha Jonoska brought forward three issues with working with Post Docs. There was discussion on the Offer Letter and how the wording and placement of certain information might be changed. Post Doc health insurance is not covered unless paid through other funding. If paid by other funding, it takes a
