EDUCATION

Post-Doctoral

- Fellowship** Duke University Medical Center, Dept. of Behavioral Cardiology
September 1994-August 1997
Coordinator of NIH Grant: Effects of Aerobic Exercise vs. Medication in Depressed Older Adults
- Ph.D.** Kent State University, Dept. of Psychology
Doctor of Philosophy in Psychology
Degree awarded: May 1995
Dissertation: Effect of Participation in Aerobic Exercise Program on Self-Esteem of Older Adults
- M.A.** Kent State University, Dept. of Psychology
Masters of Arts in Psychology
Degree awarded: August 1991
Thesis: Hypochondriacal Beliefs and Reactions to an Unfavorable Medical Diagnosis
- B.A.** University of South Florida, Dept. of Psychology
National Registry of Evidence-Based Programs and Practices, September 2015
- **NREPP Effect Size Certification**, March 2016
- Certified Online Educator**, University of South Florida, August 2015
Mental Health First Aid Trainer, National Council for Behavioral Healthcare, April 2015

PROFESSIONAL EXPERIENCE

Executive Director of the Louis de la Parte Florida Mental Health Institute (FMHI), Dean's Office, College of Behavioral and Community Sciences, University of South Florida, Tampa, FL (2018-present). Duties include providing leadership for statewide research and training initiatives related to behavioral health, creating an environment and resources to attract faculty and students committed to promoting behavioral health in Florida and throughout the US, and providing leadership for strategic planning to identify future priorities and directions.

Research Professor, Department of Mental Health Law and Policy, College of Behavioral and Community Sciences, University of South Florida, Tampa, FL (2019-present). Duties include research, teaching, training, and supervision and mentoring of undergraduate and graduate students. Major areas of emphasis include co-occurring mental health and substance abuse disorders, jail diversion, family dependency, juvenile and adult drug court, and alcohol policy.

Research Associate Professor, Department of Mental Health Law and Policy, College of Behavioral and Community Sciences, University of South Florida, Tampa, FL (2010-present). Duties include research, teaching, training, and supervision and mentoring of undergraduate and graduate students. Major areas of emphasis include co-occurring mental health and substance abuse disorders, jail diversion, family dependency, juvenile and adult drug court, and alcohol policy.

Research Assistant Professor, Department of Mental Health Law and Policy, Florida Mental Health Institute, University of South Florida, Tampa, FL (2004-2010). Duties include research, teaching, training, and supervision of undergraduate and graduate students. Major areas of emphasis include co-occurring mental health and substance abuse disorders, jail diversion, family dependency and juvenile drug court, and alcohol policy.

Coordinator of Statistical Research, Department of Mental Health Law and Policy, Florida Mental Health Institute, University of South Florida, Tampa, FL (1999-2004). Responsible for managing numerous community-based research projects including a four-year SAMHSA-funded practice to research collaborative.

Project Director, Psychological Assessment Resources, Tampa, FL (1997-1999). This position involved reviewing submitted proposals and working with psychologists of accepted projects to ensure their reliability, validity, quality, and utility. Responsible for coordinating a multidisciplinary team, guiding project design, developing items, preparing test manuals, and providing input software design and testing.

National Institute of Aging Post-Doctoral Fellow, Duke University Medical Center, Durham, NC (1994-1997). Responsible for the overall operation of a five-year NIMH funded grant evaluating the efficacy of exercise training alone and in combination with a standard pharmacologic therapy in the treatment of depression in older adults.

Research Assistant, Department of Psychology, Kent State University, Kent, Ohio (1989-1994). Involved in assisting on a research grant examining life-sustaining treatment issues pertaining to the elderly population. Responsible for data collection and analysis, as well as the preparation of manuscripts for publication and dissemination of research findings.

Research Associate, Human Services Research Institute (HSRI), Cambridge, MA (1986-1989). Responsible for the overall operation on an outcome study for Psychiatric Institute of America (PIA), and data m (d)1 (y)4.9 ()nsat

GRANT AND CONTRACT FUNDED PROJECTS

Evaluation of Hillsborough County Marchman Act Drug Court Treatment (MADCT) Expansion Grant

Funding Agency: Bureau of Justice Assistance (BJA)

Funding Period: 10/1/20 to 9/30/23

Award Amount: \$500,000

MHLP Award: \$100,000

Principal Investigator: Hillsborough County 13th Judicial Court

Project Role: Principal Investigator and responsible for the overall evaluation of the project that includes a baseline and 6-month client follow-up as well as process evaluation.

Synopsis: To provide intensive outpatient treatment utilizing the evidence-based models “Seeking Safety” and “Courage to Change” to women meeting criteria for Marchman Act treatment. The goal of the program is to engage participants in continuous treatment.

Effects of remote motivational enhancement and *MySafeRx* on post-detox engagement and retention in buprenorphine treatment

Funding Agency: Centers for Disease Control and Prevention (CDC)

Funding Period: 9/30/18 to 9/29/21

Award Amount: \$2,250,000

Principal Investigator: Kathleen Moore, Ph.D. and Zev Schumann-Olivier, M.D.

Project Role: Co-Principal Investigator and responsible for implementing and monitoring all phases of the proposed research project locally, development and oversight of research strategies and recruitment, and review of all guidelines and procedures with ACTS.

Synopsis: This intervention will conduct a randomized controlled trial to evaluate the effect of remote motivational enhancement (RME) sessions on post-detox engagement in buprenorphine (BUP) treatment with daily dosing. This study will generate new knowledge about effective ways to prevent overdose and engage patients in BUP treatment.

Evaluation of a Pregnant Postpartum Grant

Funding Agency: Substance Abuse and Mental Health Services Administration, Center for Substance Abuse Treatment (SAMHSA, CSAT)

Funding Period: 10/1/18 to 9/30/23

Award Amount: \$2,620,000

MHLP Award: \$393,000

Principal Investigator: Drug Abuse Comprehensive Coordinating Office (DACCO), Inc.

Project Role: Principal Investigator and responsible for the overall evaluation of the project that includes a baseline, 6-month, and 12-month client follow-up as well as process evaluation.

Synopsis: To expand treatment for residential substance abuse treatment, prevention, and recovery services for pregnant and postpartum women involved in dependency court. The program will also provide trauma-informed services to stabilize, strengthen, and reunite families.

Summer Research Experience at Florida Mental Health Institute (SRI@FMHI)

Funding Agency: National Institutes of Drug Abuse (NIDA)

Funding Period: 4/15/18 to 4/14/23

Award Amount: \$500,000

Principal Investigator: Kathleen Moore, Ph.D. and Roger Peters, Ph.D.

Project Role: Principal Investigator and responsible for overall program coordination and budgeting, coordinating research seminars, skill building workshops, and research program.

Synopsis: This initiative will implement an intensive Summer Research Institute (SRI) for undergraduates. The SRI will facilitate the pursuit of undergraduate students to attain advanced education in addictions research in order to enhance the future pool of successful researchers working in this area.

Evaluation of Hillsborough County Family Dependency Treatment Court (FDTC) Grant

Funding Agency: SAMHSA, CSAT

Funding Period: 10/1/17 to 9/30/22

Award Amount: \$2,125,000

MHLP Award: \$356,250

Principal Investigator: Hillsborough County 13th Judicial Court

Project Role: Principal Investigator and responsible for the overall evaluation of the project that includes a baseline, 6-month, and 12-month client follow-up as well as process evaluation.

Synopsis: To provide residential, intensive outpatient, and outpatient treatment utilizing the evidence-based models “Nurturing Parents” and “Seeking Safety” to substance-abusing parents in child welfare. The goal of the program is to engage parents in treatment relationships, ultimately becoming substance free and having better parenting skills.

Institute for Translational Research in Adolescent Behavioral Health Grant

Funding Agency: NIDA

Funding Period: 4/1/17 to 3/31/23

Award Amount: \$1,780,445

Principal Investigator: Oliver Massey, Ph.D.

Project Role: Academic mentor and will work with scholars and community partners to develop a service learning research project.

Synopsis: To develop, cultivate, and disseminate an innovative model of research education that addresses best practices for translational research in the field of adolescent behavioral health, as it relates to substance abuse and co-occurring disorders.

GRANT AND CONTRACTIVE INACTIVE PROJECTS

Evaluation of Hillsborough County Veterans Treatment Court (VTC) Grant

Funding Agency: SAMHSA, CSAT

Funding Period: 10/1/16 to 3/31/20

Award Amount: \$975,000

MHLP Award: \$146,250

Principal Investigator: Hillsborough County 13th Judicial Court

Project Role: Principal Investigator and responsible for the overall evaluation of the project that includes a baseline, 6-month, and 12-month client follow-up as well as process evaluation.

Synopsis: To provide residential, intensive outpatient, and outpatient treatment utilizing the evidence-based models “Accelerated Resolution Therapy (ART),” “Seeking Safety,” and “Matrix Model” to veterans meeting criteria for VTC.

Evaluation of Hillsborough County Marchman Act Drug Court Treatment (MADCT) Grant

Funding Agency: SAMHSA, CSAT

Funding Period: 10/1/15 to 9/30/18

Award Amount: \$975,000

MHLP Award: \$147,000

Principal Investigator: Hillsborough County 13th Judicial Court

Project Role: Principal Investigator and responsible for the overall evaluation of the project that includes a baseline, 6-month, and 12-month client follow-up as well as process evaluation.

Synopsis: To provide residential and outpatient treatment utilizing the evidence-based models “Seeking Safety” and “Matrix Mod

Assessing the Feasibility of Family-Based Interventions among Latino Families in Juvenile Drug Court

Funding Agency: University of South Florida (USF)

Funding Period: 6/1/12-5/31/13

Award Amount: \$2,500

Principal Investigator: Celia Lescano, Ph.D.

Project Role: Co-Principal Investigator and responsible for coordinating focus group in Juvenile Drug Court (JDC).

Synopsis: This project will evaluate the feasibility of a culturally congruent family-based risk reduction intervention for Latino youth and their families enrolled in the JDC program. We will conduct focus groups with 20 Latino families currently enrolled in the JDC.

Evaluation of Low Demand Safe Havens for Homeless Veterans

Funding Agency: Department of Veteran Affairs (VA)

Funding Period: 3/1/11-2/28/13

Amount Award: \$50,000

Principal Investigator: M. Scott Young, Ph.D.

Project Role: Co-Principal Investigator and responsible for the project management.

Synopsis: The purpose of this study is to evaluate low demand safe havens for homeless veterans.

USF's Center on Co-occurring Disorders, Justice, and Multidisciplinary Research (CJM)

Funding Agency: National Institute of Health (NIH)

Funding Period: 9/30/09-9/29/11

Award Amount: \$1,400,000

Principal Investigator: Roger Peters, Ph.D.

Project Role: Co-Principal Investigator and responsible for CJM'S which will coordinate key research activities, including review of pilot projects.

Synopsis: The objective of the CJM Center is to enhance the effectiveness of interventions for offenders with CODs within the justice system by: (a) identifying promising intervention strategies, and (b) testing these interventions in theory-informed pilot

Evaluation of the Northeast Florida Addiction Network (“NEFAN”)

Funding Agency: Louis de la Parte Florida Mental Health Institute (FMHI)

Funding Period: 1/1/05 to 12/31/06

Award Amount: Legislative mandate

Principal Investigator: FMHI

Project Role: Principal Investigator and responsible for the overall evaluation of a managing entity that includes both Districts 4 and 12.

Synopsis: This formative evaluation includes: (1) timeliness of service delivery, (2) treatment and cost effectiveness, and (3) consumer satisfaction.

Evaluation of Driving Under the Influence Program

Funding Agency: Byrne Memorial Law Enforcement Trust Fund Grant

Funding Period: 10/1/04 to 9/30/05

Award Act: 1s)-5)c2.3)-16si) tt o0)H.6(1P1)-100331d(Ic -0T-8/w.6h(v)5(r)-531)-1003229Td(.)T0-13h

Evaluation of Treatment for Homeless Grant (“Keystone Project”)

Funding Agency: SAMHSA, CSAT

Funding Period: 6/1/03 to 9/30/06

Award Amount: \$1,800,000

MHLP Award: \$180,000

Principal Investigator: Agency for Community Treatment Services, Inc. (ACTS)

Project Role: Project Evaluator and responsible for the overall evaluation of the project that includes a baseline, 6-month, and 12-month follow-up.

Synopsis: To provide integrated services for homeless adults with co-occurring mental health and substance abuse disorders in a residential treatment program. The goal of the program is to engage these adults into continuous treatment relationships, reduce substance use, increase housing stability, and minimize mental health symptoms.

(Spring, 2018-Summer, 2018). Co-Mentor (with Dr. Levin) for 3-credit directed study offered through Child and Adolescent Behavior MS graduate program within USF Department of Child and Family Studies.

(Spring, 2014). Mentor for 3-credit directed study offered through BRIDGE graduate certificate program within USF Department of Mental Health Law and Policy.

(Fall, 2013-Fall, 2014). Mentor for 3-credit directed study offered through BRIDGE graduate certificate program within USF Department of Mental Health Law and Policy.

(Fall, 2013-Summer, 2014). Co-Mentor (with Dr. Boothroyd) for 3-credit directed study offered through BRIDGE graduate certificate program within USF Department of Mental Health Law and Policy.

(Fall, 2009-Spring, 2010). Mentor for 3-credit directed study offered through PhD Criminology graduate program within USF Department of Criminology.

(Spring, 2006). Mentor for 3-credit directed study offered through PhD Criminology graduate program within USF Department of Criminology.

(Fall, 2010-Summer, 2011). Mentor for 3-credit directed study offered through MS Criminology graduate program within USF Department of Criminology.

(Fall, 2010-Spring, 2013CCJ). Mentor for 3-credit dissertation offered through PhD Criminology graduate program within USF Department of Criminology.

Undergraduate Courses

(Summer, 2018-Spring, 2019). Instructor for 3-credit course offered through General Education at USF.

(Spring, 2016-Fall, 2019). Co-Instructor (with Dr. Batsche) for 3-credit course offered through undergraduate Behavioral Healthcare program within USF Department of Mental Health Law and Policy.

(Fall, 2015-present). Trainer for Mental Health First Aid (MHFA) certificate offered through undergraduate Behavioral Healthcare program within USF Department of Mental Health Law and Policy.

Fall, 2014-present). Instructor for 1-credit course offered through undergraduate Behavioral Healthcare program within USF Department of Mental Health Law and Policy.

(Fall, 2010-Fall, 2013). Co-Instructor (with Dr. Batsche) for 1-credit course offered through undergraduate Behavioral Healthcare program within USF Department of Mental Health Law and Policy.

(Fall, 2007-Fall, 2010). Co-Instructor (with Dr. Young) for 2-credit course offered through undergraduate Honor's program within USF Honor's College.

(Spring, 2017-Fall, 2017). Mentor for 3-MFydyFton (Spr(L)6. (a)2.8 (ll)0.6 (2)0.6 (0)

(Spring, 2016-Spring, 2017). Mentor for 3-credit directed study offered through undergraduate Behavioral Healthcare program within USF Department of Mental Health Law and Policy.

(Spring, 2016). Mentor for 3-credit directed study offered through undergraduate Behavioral Healthcare program within USF Department of Mental Health Law and Policy.

(Spring, 2016). Mentor for 3-credit directed study offered through undergraduate Behavioral Healthcare program within USF Department of Mental Health Law and Policy.

(Fall, 2017). Mentor for 3-credit directed study offered through undergraduate Criminology program within USF Department of Criminology.

(Fall, 2010-Spring, 2011). Mentor for 3-credit directed study offered through undergraduate Criminology program within USF Department of Criminology.

(Spring, 2006). Instructor for 3-credit course offered through undergraduate Psychology program within University of Tampa Department of Psychology.

Spring, 2002-Spring, 2004). Instructor for 3-credit course offered through undergraduate Psychology program within University of Tampa Department of Psychology.

(Spring, 2000-Fall, 2004). Instructor for 3-credit course offered through undergraduate Psychology program within University of Tampa Department of Psychology.

(Fall, 2000). Instructor for 2-credit course offered through undergraduate Psychology program within University of Tampa Department of Psychology.

(Fall, 1992-Spring, 1993). Instructor for 3-credit course offered through undergraduate Psychology program within Kent State University Department of Psychology.

(Fall, 1993). Instructor for 3-credit course offered through undergraduate Psychology program within Kent State University Department of Psychology.

(Fall, 1993). Instructor for 3-credit course offered through undergraduate Psychology program within Kent State University Department of Psychology.

(Spring, 1992). Instructor for 3-credit course offered through undergraduate Psychology program within Kent State University Department of Psychology.

RESEARCH MENTORING EXPERIENCE

Pharmacy Longitudinal Research Project Scholars

Xavier Betancourt, Melissa Charbonneau, Patrick Dammar, Nicholas Garcia, Dara Leet, Jorge Mendez (Spring, 2016-Spring, 2018), Mentor. Dept. of Pharmacy offered through University of South Florida,

Post-Doctoral Scholar

Emmeline Chuang (Fall 2010-Summer, 2011), Mentor. Post-doctoral Fellowship,

Institute for Translational Research Scholars
