Check **BEFORE** Graduation

- Grades: All incomplete "I" grades must be cleared. Note: All "I", "IF", and "M" grades turn to a permanent "F" at graduation. Inform your professors that this is your graduating semester so all of your grades are submitted on time. Check your GPA and grades in OASIS.
- Transferring Courses: Appropriate transfer courses **must** be approved and posted to your record well in advance of your graduation. Taking courses at another institution during your graduating term is discouraged. If you must take degree required courses at another institution during your graduating term, immediately after you receive your grades, electronically submit a transcript or pick up and hand-deliver a sealed transcript to USF Office of Admissions and notify your department advisor. Failure to post your transfer credit in a timely manner will result in denial of graduation.
