Business

Skilled entrepreneurs know that it takes more than a great idea to be successful. They have a passion for understanding their environment. They want to know not only what competition already exists, but what allies can they leverage as well?

Further, an entrepreneurship professional is going to ask what is missing from the world. Why is this process so need?

It's no secret that entrepreneurs are often categorized as innovators. Using those analysis and problem-solving skills, the entrepreneur's next step is to c&T.t1 to c&T.t1 to c&T.t1 to c

USF's Center for Entrepreneurship continues to rank nationally year after year. *Princeton Review* and *Entrepreneur Magazine* have ranked the center's graduate entrepreneur program within the top 25 programs in the U.S. every year since 2010. Beginning your journey as an entrepreneur in the center's undergraduate program is just the beginning of your experience with these faculty experts.

A photograph of a man and a woman in a professional setting, looking at a laptop screen. The man is on the left, wearing a plaid shirt, and the woman is on the right, wearing a dark top. The image is heavily distorted with horizontal, multi-colored digital glitch lines.

#3

Professionals with an entrepreneurship degree from USF gain the education they need to start their own business ventures, but their list of options expands beyond owning your own business. This degree program teaches students skills in analytics, creativity, leadership and strategy. These are the same skills needed to be successful within a
