

Third Global Sustainability Conference 2022

Innovations for Resiliency

November 3 - 4, 2022

Dr. Kiran C. Patel Center for Global Solutions
University of South Florida
4202 E Fowler Ave, Tampa FL, 33620

Climate change, the pandemic, and socio-economic challenges converge to disrupt livelihoods, regions, and species across the globe. This conference will focus on developing innovative solutions for resiliency to reduce the impacts of such disruptions.

The 3rd Global Sustainability Conference, hosted by Patel College of Global Sustainability, is the premier event for thought leaders and practitioners from industry, academia, government, and non-government organizations to join the community of visionaries working at the forefront of innovation to move beyond individual action and catalyze and accelerate change towards sustainability.

*For all sponsorship levels, please note the following: Pursuant to IRS guidelines, support is defined as a "Qualified Sponsorship," which means no endorsement of your business, qualitative or comparative language, price information or indication of savings or value can be included in written words or in program remarks. In essence, your organization can be acknowledged through simple use of your name, logo, and location, but no message that promotes or markets and trade or business, or any service, facility or product is permissible.
