Florida Residency for Tuition Purposes Request

Intent for Independent Students

must

student

Why did the claimant move to Florida? State statute is very specific about who is eligible to receive in-state tuition. **If the primary reason you moved to Florida was to pursue an education, you are NOT eligible to receive in-state tuition.** As stipulated in Section 1009.21(2)(a)2, F.S., "it is imperative that the required 12 month qualifying period be for the purpose of maintaining a bona fide domicile rather than for the purpose of maintaining a mere temporary residence or abode incident to enrollment in an institution of higher education." In other words, if you moved to Florida to earn a degree from the University of South Florida (USF), you are not eligible to receive in-state tuition.

3. Intent - Required if the student is independent. Provide 1 of the following ties to the State of Florida in the claimant's name.

- Employment Verification - Proof of permanent full-time employment in Florida for at least 30 hours per week that began **prior** to your **initial enrollment** at USF. **Required:** A letter of employment verification on letterhead or paystubs showing dates and hours worked. *Note: Offer letter not accepted as proof of employment. Full time work is defined as 30 hours or more a week.*
- Documentation of family ties in Florida. **Required:** notarized letter from a relative indicating relationship to the claimant, length of time as Florida resident, and a copy of the relative's Florida issued ID.

Provide any additional compelling evidence for residency for tuition purposes at USF:

Financial Independence

Only students under the age of 24 claiming independent status should complete this financial statement to support their claim of independent status. Proof of documentation is required.

Were you claimed as a dependent on your parent or legal guardian's Federal and/or state (if applicable) taxes for the preceding calendar year?

- Yes
- No (Copies of your tax transcript and your parents' tax transcript are required).

If you answered yes, you DO NOT qualify for independent status; file residency request form as a dependent.

If you answered no, the below documentation is **required:**

- Copy of your most recent tax transcript
- Copy of your parent' most recent tax transcript
