

### How do I use my rain site on the day of the event?

Please call the Building Manager at 813-422-4651 a least 24 hours prior to the event to let them know if you plan on keeping the event outside or moving the event to the rain site.

Note: The SC will not be responsible for the attendee, vendor, or employee safety, if the decision is made to move the event outside, the attendee will be responsible for the safety.

### Can I move my event back outside if the weather clears up?

Once a location is set, it cannot be changed.

### Will I have to pay for the sound equipment and sound technician(s) if I move to my rain site?

If you have rented sound equipment / sound technician(s) they will be responsible and you will be charged for their service.

### Will I have to pay for the rental of my rain site if I do not use it?

Yes, you will be charged for the rental of both even if you do not use it (if applicable). Room rental may apply to University Department, University Sponsored, and Non-USF clients.

### If I decide to risk it and have my event outside, will the MSC provide all the same
