

# USF Curriculog Navigation Tutorial

Curriculog Navigation training tutorial. Curriculog is a web-based proposal management system. It automates the processes of curriculum change proposals and new, discontinue, and change course proposals.

To optimize the Curriculog experience, it is best to use Firefox or Chrome as your browser. You can access the Curriculog system at <https://usf.curriculog.com/>. USF has a single source log in. Click the Login in the upper right of the screen.

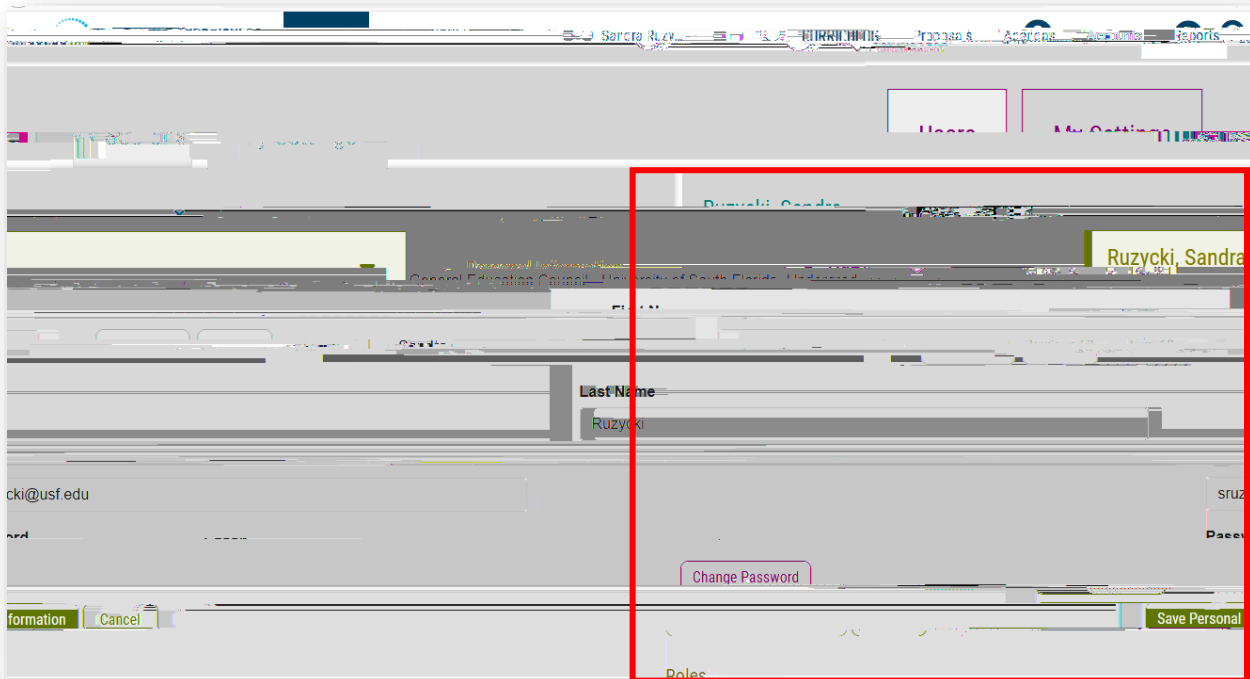

## Setting Email Notification Preferences

You can adjust how often you receive email notifications from Curriculog by clicking on your user name to bring up a drop-down menu. Hover over your name and click  from the drop-down.

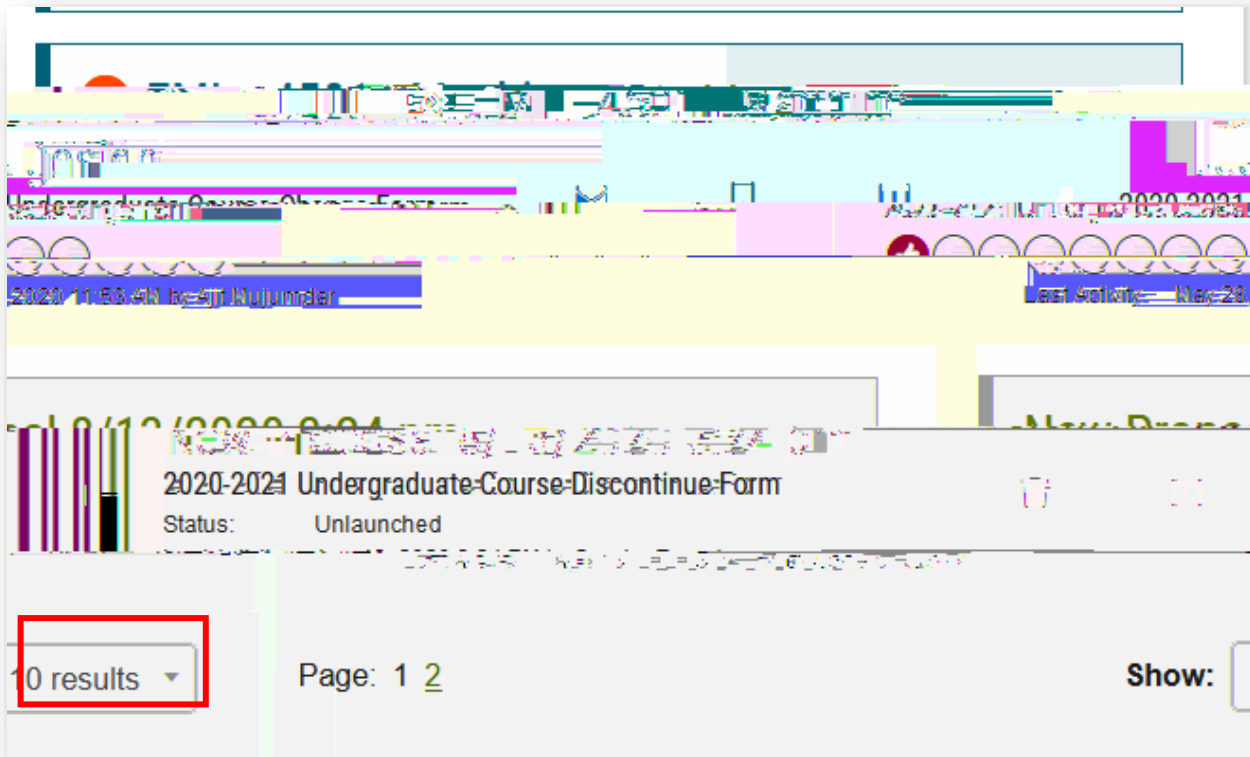

Then click on your name.

## Dashboard -

To view the next set of proposals, scroll down the list and select the next set of proposals.

Hovering over the icons to the right of each proposal title displays the function of each. The user can send a message about the proposal, place the proposal on a Watch List, or view a summary of the proposal.

## Dashboard – Watch List

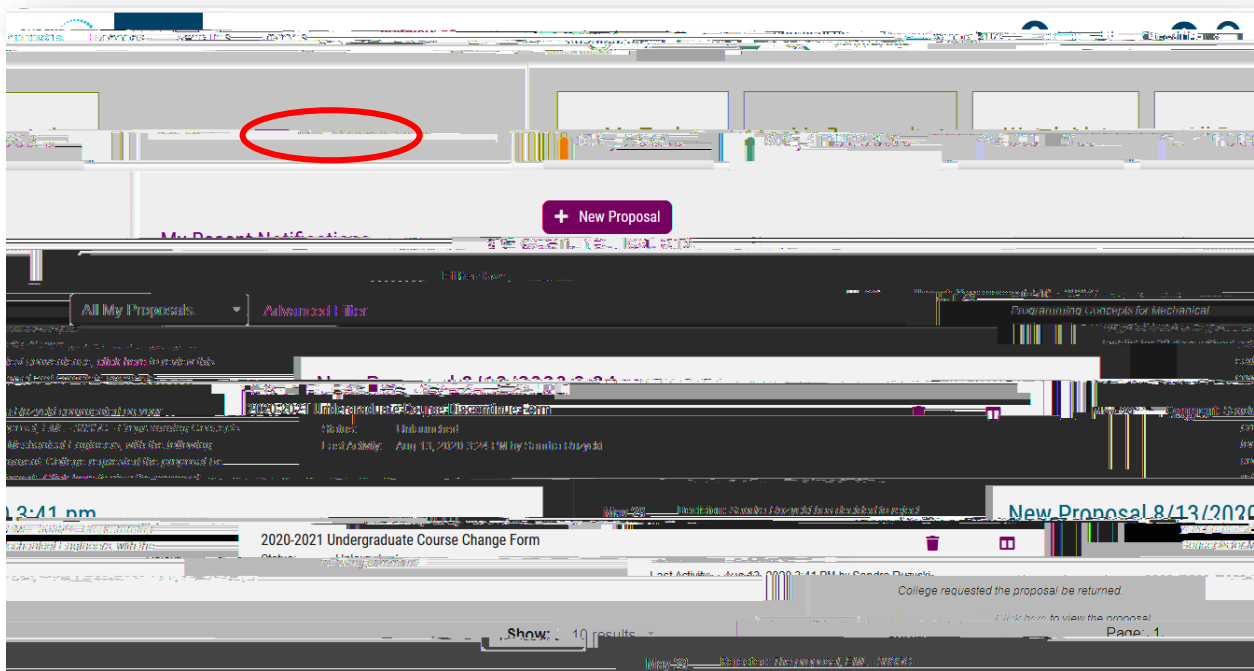

The

monitor on your Watch List. This does not remove the proposal from  
simply puts a copy in your Watch List.
