  - a. Scott Rimbey reminded the council that new GEC Chair selection procedures were approved in April of 2014: The Chair shall be elected by the Council from among its members. The Chair shall be a voting member of the Council. He asked that council members begin considering this for AY 2015-2016, as there are only two meetings left in this academic year.
  - b. Dr. Janet Moore led a discussion about [USF System Policy number 10-065](#), which addresses credit hours. The document states, in part, that the student workload in an online course must be comparable to that of a face-to-face section of the same course. This translates roughly to 135 hours of total work for a 3-hour 15-week course (45 hours in the classroom and 90 hours outside of class).
