**TOTAL: 15**

General Knowledge Test should be taken during Year 1; test scores take 4-6 weeks to post.  
College of Education strongly recommends EDF 2085 AND EME 2040 for elective coursework.

---

**The following is additional information for the Exceptional Student Education major:**

- The College of Education has a SEPARATE APPLICATION PROCESS from that of the University of South Florida. Please allow enough time to apply and received acceptance to USF before applying to the College.
- The Exceptional Student Education program admits in all three terms (fall, spring, summer).
- All applicants to the COEDU (except Exercise Science) must take and pass all sections of the General Knowledge Test, including Math, Reading, Language, and Essay.
- All applicants must have a cumulative GPA of 2.5.
- EDF 1005 must have been passed with a C- or better. As long as all pre-requisite courses are complete or IN-PROGRESS the student may apply.
- Students are admitted as part of a cohort and will take the courses in a specific sequential order (listed above).
- Florida Teacher Certification Exams (Professional Education and Subject Area Exams) are required for graduation, as the degree is tied to earning a Florida Teaching Certificate. Students are encouraged to take these in fall of the last year to ensure enough time to retest if necessary. Certification will be reflected on the official transcripts.
- The Exceptional Student Education Program is designed to develop highly competent professionals who, together with individuals with varied exceptionalities and their families, work to enhance the quality of life through their advocacy, teaching, research, and service. This clinically rich program introduces students to the diverse settings in which they may encounter individuals with special needs. This is a full-time, cohort-style program with clinical experiences in grades K-12.
