The following is additional information for the Health Sciences major:

This Grad Path focuses on 4 out of the 5 concentrations within the major. Choose based on career interests:

Social/Behavioral Health Sciences: Social service agency work within the mental health field

Students should take BSC1005C & SYG2000 within AA.

Aging Health Studies: Nursing home administration, counselors, therapists, geriatric program development

Students should take BSC1005C & SYG2000 within AA.

service management.

Students should take BSC1005C, ACG2021, & ACG2071 within AA.

Health Information Technology: Medical records management, IT, software/internet development

Students should take BSC1005C & SYG2000 within AA.

Students can choose to complete 30 credits in one concentration or 15 credits in two concentrations.

Once a student chooses their concentration(s), they need to speak with a USF College of Public Health advisor to ensure the best course choices for each concentration.

Lower level (1000 or 2000) medical terminology will not replace the 3000 level medical terminology.

Students who are pursuing a health profession program should select the biological health sciences concentration detailed on a separate Grad Path.
